

The Master Gardener program is an all-volunteer organization sanctioned by Land Grant institutions in each state and functions as an extension of the college or university. In Wisconsin, the program is sponsored by the University of Wisconsin-Extension. Master Gardeners are trained volunteers who aid University of Wisconsin-Extension staff by helping people in the community better understand horticulture and their environment.

Level I training is the introductory program for individuals to become University of Wisconsin-Extension Master Gardener Volunteers.

Kevin Jarek  
Crops/Soils/Horticulture Agent  
Outagamie County

**An EEO/Affirmative Action employer, University of Wisconsin-Extension**  
provides equal opportunities in employment and programming including Title IX and ADA requirements.
